2000mm pull-up banner template · 2000 × 2000mm

Finished size 2000 × 2000mm (the part people see), plus 150mm hidden in the base.

Set your page to 2000 × 2150mm. This template is 1:10 scale (200 × 215mm), and you can design at this scale or at full size.

Black line: the finished edge.

Photos: 150 dpi at full size (that is 1,500 dpi at this 1:10 scale). A PDF in CMYK is best, with fonts outlined.

Hide or delete this guide before you send your file. We check every file by hand and send you a proof.

Kingston Branding · 01482 606622 · orders@kingstonbranding.co.uk

Hidden in the base (150mm). Carry your background on here, but keep words and logos out.
